EXPERIENCE

Front end internship

Web Master

📅 August 2024 – Present 📍 Online

- I have gained experience in various advanced aspects of web development by tackling front-end tasks and solutions.
- Create responsive projects

Front end internship

SEF Academy

📅 January 2024 – August 2024 📍 Online

- Completed over +20 projects in a +7 months program focused on ReactJS and frontend technologies.
- Gained certificates through 22 practical courses, mastering programming fundamentals, and ReactJS

CERTIFICATES

Front-end Web Development Diploma

View Certificate

- Developed a solid foundation in HTML, CSS, and JavaScript, the core technologies for creating responsive and user-friendly web-sites.
- Learned to build modern web interfaces with a focus on layout design, interactivity, and performance optimization.
- Gained knowledge in advanced topics such as responsive design, browser compatibility, and version control with Git.
- Acquired the skills to create dynamic and accessible web applications.
- Gained hands-on experience with popular front-end frameworks and libraries like React and Bootstrap.

Back-End web development Diploma

View Certificate

- I completed a diploma in Back-End Web Development, specializing in Node.js, Express, and MongoDB. The program emphasized building scalable server-side applications, developing RESTful APIs, and managing databases efficiently.

PROJECTS

Portfolio

Live Demo

- Tools : HTML , CSS , JavaScript, React.js
- Details : I used useRef for direct DOM manipulation, useState for state management, framer-motion for animations, useEffect for side effects, localStorage for data persistence, and @form-spree/react for form handling. [View Repo](#)

SUMMARY

- innovative and dedicated Front-End Developer with over 1 year of hands-on experience in designing and building user-friendly, responsive web applications. I am highly proficient in JavaScript, React.js, HTML5, CSS3, consistently developing myself and delivering efficient code that enhances both functionality and user experience.
- Currently a second-year student at the Faculty of Computers and Artificial Intelligence, I am passionate about web development and artificial intelligence and eager to continue growing in innovative and dynamic development teams.

EDUCATION

Bachelor's in Computer Science

Helwan University

📅 October 2023 – November 2027

Department: General

TECHNICAL SKILLS

HTML/HTML5

CSS/CSS3

Bootstrap

Tailwind CSS

Git & GitHub

React.js

Redux, React Router, ...

Node.js

Express

MongoDB

JavaScript

C

OOP

Data Structure

Problem Solving

SOFT SKILLS

Continuous Learning

Communication

Teamwork and Collaboration

Time Management

LANGUAGES

Arabic
