## Summary

I'm an innovative and dedicated **Front-End Developer** with over a year of experience in designing and building responsive web applications. I've completed 30+ projects, enhancing efficiency and ROI by optimizing performance, integrating secure APIs, and reducing load times. I'm proficient in JavaScript, React.js, HTML5, and CSS3, and I continually strive to improve my skills and deliver high-quality code.

## Skills

- Technical: **React.js**, **Redux**, React Router, Material UI, **Tailwind CSS**, JavaScript, Java, **Figma UI**, Node.js, Agile Methodologies and Git
- Soft Skills: Continuous Learning, Communication, Time Management, Collaboration and Flexibility.

## Experience
